FOR MORE INFORMATION

BACHELOR OF MEDIA DESIGN

Bachelor of Media Design is both theoretically rich and production-orientated. It fosters a creative and hands-on culture of study designed to help you succeed in this exciting field.

Media design is a highly competitive field, but also a very rewarding one to work in. This program offers budding designers the opportunity to acquire a broad set of real-world skills, combining specialist knowledge with technical prowess to produce graduates that are dynamic and employable. You'll learn how to adapt to different environments by working both individually and collaboratively on creative projects that reflect industry processes.

Program Structure

The Bachelor of Media Design program is comprised of 16 core subjects and 2 electives, allowing students to specialise in interactive or motion design in addition to core graphic design skills. The program runs on a 12-week trimester system of 3 trimesters per year, so you can complete your qualification in 2 years and start your career sooner.

CRICOS Course Code:
085002F

INTAKE PERIODS:
February, June, September

DURATION:
3 years taught accelerated over
6 trimesters (2 years)

STUDY TYPE:
on campus; Adelaide
FEE-Help available

Core Subjects

Design Principles & Design Studio (DSGN 2100)

Contextual Studies 1 (DSGN 2101)

Photography & Digital Image Foundation (DSGN 2102)

Interdisciplinary Design Foundation (DSGN 2103)

Creative Media Strategies (DSGN 2104)

Academic Practice 1 (DSGN 2105)

Contextual Studies 2 (DSGN 2106)

Special Topic: Project (DSGN 2107)

Professional Practice (DSGN 2108)

Interdisciplinary Group Project (DSGN 2109)

Design Principles of Practice (DSGN 2200)

Design Principles of Practice 2 (DSGN 2202)

Graphic Design Studio 2 (DSGN 2203)

At Torrens University Australia, you can:

Enjoy an international study experience as part of your program.

Enjoy hands-on, real world experience with live briefs.

Experience small class sizes of up to 25 students.

Take advantage of a fast-tracked program to complete your qualifications in as little as 2 years.

Be a part of a global network and community of ideas with the Laureate International Universities.

Apply direct to Torrens and find out if you've been admitted.

Specialisations

Interactive Design

Motion Design

How to apply

You'll need to provide 1 or more of the following:

- Certified ATAR and/or VET supporting documentation
- Certified STAT supporting documentation
- Certified GPA supporting documentation and/or academic transcripts for relevant undergraduate degrees
- All applications also require the submission of a creative portfolio of 10 to 20 images and a cover letter outlining why you want to study Media Design (half page).

Creative Portfolio:

Please provide 10 to 20 images/photos of your work. Please give a short explanation of each image including the date, title and your role if it is a collaborative piece. Include the working drawings, where available, for at least 1 piece of work or project. Ensure that your digital portfolio demonstrates both a breadth and depth of creative work, i.e. you must include a range of drawings, sketches, photographs.
