Úvod

Welcome to 4Life College

4Life College has been providing vocational education in the health and community sector for more than a decade.

Enjoy Fun Classes

Students will enjoy fun classes with a practical focus, designed to engage them and make them “job-ready” once they graduate. In simulation labs, role plays and classroom discussions students will gain plenty of experience to make them confident when entering the work force.

Enjoy Australia

Take in the variety Australia has to offer at any of our 4 campuses around the country. With campuses in Sydney, Melbourne, Brisbane and Perth our students can create the ultimate Australian experience for themselves.

NATIONALLY RECOGNISED TRAINING

Diploma of Mental Health

Demand for dedicated professionals in this sector consistently growing. If you have a passion for helping others and are looking for an interesting and challenging field to specialise in, our mental health course will be a great fit for you.

| Course | Code | Duration | Work Placement |
|--------------------------|----------|---|----------------|
| Diploma of Mental Health | CHC53315 | 24 Months (8 x 10 week terms + holiday periods) | 400 hours |

Some of the skills you will learn during this qualifications are:

- Implement community-based mental health activities and promotions.
- Engage clients in community participation.
- Prevent client relapse.
- Promote recovery through community, clinical, home-based and centre-based programs.

Your training is a combination of classroom and practical elements like role plays, simulations and compulsory work placement. This gives you the knowledge to maintain a therapeutic alliance with clients living with mental health issues. You will also learn how to work from a recovery oriented perspective that is strength based and client centred. You will gain the skills and knowledge to become a successful practitioner in this complex sector.

Diploma of Community Services

Community Services is a sector with a variety of challenging and interesting roles and opportunities allowing you to specialise in the sector or work as a generalist. Our Community Services Course will help prepare you for the outside world.

You may be involved in managing, coordinating and or delivering of person-centred services to individuals, groups or communities. You will be providing direct support to individuals or groups of individuals using a strength based case management model. There are over 50 occupations that fall under Community Service such as:

- Working with youth
- Job network
- Disability services
- Mental health services
- Drugs and alcohol treatments
- Domestic violence
- Housing
- Working with Aboriginal and Torres Strait Islander People
- Migration centres
- Settlement services
